

Three Ball Games Billed

Hard and Diamond Ball Teams Play

For Wesley Park Tonight

The bill for Wesley Park tonight is full, with senior hardball and diamond ball leagues starting the second week of play. At 6.30 Arenas and Elks clash in the second baseball fixture, while a Diamond Ball double-header will be played under the footlights, with the first game starting at 8.45.

Arenas lost a tough game to the champion Dokey-Tigers in the circuit opener Saturday, but are confident of making up for the defeat at the expense of the Antlered Crew. The Elks, however, are making no secret of their pennant aspirations and have definite plans with regard to their first 1932 appearance. Manager Laurie Cuth-

bert has made several changes in his team since last year, and his new aggregation is expected to be considerably stronger than last year's club. Lefty Deakin will probably pitch this evening, with Alex Turk receiving.

Arenas will likely trot out the same players who gave the Bengals such a tough battle Saturday, with the exception of Wally Woolner, who will return to the mound.

Unedas and Y.M.H.A. will attempt to keep up the pace they set in winning their opening games last Thursday, and Elites and Native Sons are equally determined to crash the victory column in the Diamond Ball games. Unedas and Elites clash at 8.45, while Native Sons and Y.M.H.A. come together immediately after.
